Council Honours Top Hockey Teams

His Worship the Mayor poses with A Grade Reserve players of Altona Hockey Club "A" Reserve Hockey 1969 — runners-up in the competition are promoted to "A" Grade 1970 — the first time since 1952 that Altona Hockey Club has had players in "A" Grade. The Mayor congratulated the players on promotion and later entertained them at supper. (See Page 4.)

LEFT TO RIGHT. — R. Byrne, T. Ranger (vice-president), J. Hunter, W. Lewysyn, P. Hunter (captain), A. Challis, R. Ford, W. Smith (coach), B. Forrester, J. Studley (executive), Mayor Burns, K. Burgess (vice-president), B. Smith, R. Smith, A. Baillie, D. Smith (secretary), R. Verity, E. Symons (president).

TENNIS FACILITIES INADEQUATE

Tennis facilities in Altona are said to be inadequate. In Altona North they are non-existent. Both areas want courts. Altona is to get two new ones in the current financial year and the needs of Altona North will be considered by Council when framing the 1970-71 estimates.

The two additional courts for the Altona Tennis Club will be constructed near the two already established in Fresno Street. Estimated cost is \$2,500.

When completed the club will have six courts, four in Fresno Street and two beside the scout hall in Civic Parade.

Club President, Mr. Len Findlay, said today that he wants to see the Fresno Street site become a tennis centre of seven to nine courts with a new club house.

Also needed are 2 hit up areas (practice walls enclosed by wire fencing).

He said the old idea of spreading tennis courts in ones and twos around a suburb is no longer satisfactory.

Players prefer the benefits of a centre.

Mr. Findlay said a number of single courts in other municipalities have closed.

At present the Altona Club has 16 teams, each of six players, playing pennant tennis on Saturdays.

The seven senior teams playing in the afternoon range from A Grade to B4 Grade.

Juniors (9 teams) play in the morning.

This season trouble was encountered in accommodating the junior teams for home matches.

Permission was given for one of the teams to play home matches on the Refinery court. Thus this team virtually plays away each week.

Besides the pennant players there are a number of other juniors in the coaching class run by Mr. John Ryan, a coach accredited by the Lawn Tennis Association of Victoria.

The services of a professional coach is another benefit possible at tennis centres.

Mr. Findlay said tennis facilities are inadequate and the Club feels that seven courts is the minimum requirement to provide for the needs of Altona.

Also wanting tennis courts are the residents of Altona North. They have none.

At the last Junior Council meeting two schools asked for courts to be built in Altona North.

Altona North High suggested a site on Ginnifer Reserve.

Brooklyn West Primary have approached the Presbyterian Church in Paringa Road about the vacant land next to it and stated the Church is in favour of using this land for a court. Alternative sites suggested were Board of Works land in Primula Avenue or the parkland at the end of Marsh Street.

Commenting on the sites, the Chairman of the meeting, Cr. Pat Lynch, said the suggestions would be brought before Council but the Council feels a central area would be best for a tennis court.

At the ordinary meeting of Council last week Cr. Lynch suggested that lack of sporting facilities in Altona North for the 10 to 16 age group may be why the youngsters patronise fun parlours.

He said over the last 12 months he has had many requests for tennis courts for this age group.

He moved that provision for tennis courts in Altona North be listed for consideration in the 1970/71 estimate.

Cr. Lynch also asked for preparation of a list of suitable reserves on which courts could be built, preferably with room for six.

The motion was seconded by Cr. Charles Carlsson and carried.

Ratepayers Angry Over Tip Fires

Residents of Knapp Street, Altona North, have threatened to hold Altona Council responsible for damage to their properties caused by fires in the municipal tip off Blackshaws Road.

Twenty four of them signed a petition stating that recent fires were alarming and appeared to be burning oil which should not have been dumped there.

They said they are most distressed and worried by fires occurring in the tip adjacent to their homes.

A section of the petition read "The evening fires recently have been very alarming and would appear to be oil burning off. Oil, we understand, should not be dumped in the Municipal Tip. In the circumstances, therefore, we give you notice that we will hold you directly responsible for any consequential damage to our properties as a result of tip fires".

At last week's Council meeting, City Engineer, Mr. Ralph Simmons, said that the smoke and fire in question came from rubbish material which had been previously reported to Council as being dumped there contrary to his directions.

It is now burnt away and the trouble should not recur.

Mr. Simmons said it is fortunate that the wind was in a satisfactory direction at the time. The fire brigade and Council personnel spent much time on guard.

Cr. Pat Lynch stressed with the hot weather approaching there is a need for more care to be taken.

New homes are near the tip and the residents have pride in their properties.

He asked that Mr. Simmons's comments be forwarded to the petitioners.

At a previous Council meeting Mr. Simmons explained that the burning material which brought on the complaints came from tanks at the Refinery being prepared for cleaning.

The contractor on the job dumped the waste at the tip.

At the time P.R.A. were unaware of the contractor's action and had since instructed that no material from the factory is to be sent to the Blackshaws Road tip.

Rag Storage Could Be Offensive

It has been recommended that the storage of rags be proclaimed an offensive trade.

Commenting on the proposal, Altona's Senior Health Inspector, Mr. John Mellors, said if the recommendation is declared it will affect charitable organisations and schools which collect clean rags to raise funds for various charities.

He added that he had received no complaints regarding this operation.

Nor had he encountered the problem of collectors storing and sorting rags in garages or sheds in residential areas.

Last week Council agreed to advise the Commission of Public Health of the comments made by Mr. Mellors.

The Commission's circular on the proposal said:—

"At the present time, rag picking or rag sorting is an offensive trade under the Health Act but the storage of rags is not.

"At a recent meeting the Commission of Public Health considered a report concerning the activities of collectors of waste materials which indicated that a number of these collectors store and sort rags in garages and sheds situated in residential areas.

"At times, these activities are brought to the notice of councils through complaints by nearby residents and where there is clear evidence that rag picking or rag sorting is taking place, councils are able to take action under the offensive trades provisions of the Health Act."

OLD CARS TO GO

A total of 152 car bodies lying dumped within Altona boundaries are going to cost ratepayers \$608 for their removal.

This is by the cheapest method suggested to Council.

The Deputy Shire Engineer, Mr. A. Jokubauskas, estimates that the cost of flattening car bodies with a bulldozer and having them carted away to a scrap metal merchant is \$5.

The dealer will pay only \$1 for each, leaving the Council a net loss of \$4 per body.

Last week Council directed that the City Engineer take this action.

In other municipalities a person engaged in removing old cars charges \$10 per body.

Town Clerk, Mr. Jim Waters, has estimated it would cost about \$60 to police a particular area on a weekend in an attempt to catch car dumpers.

Council also has directed that appropriate signs regarding the dumping of car bodies be erected throughout the district.

sions of the Health Act.

"However, in the case of the operator who states that he is merely storing rags, councils have to rely on the nuisance provisions of the Health Act."

"The Commission has adopted in principle a recommendation that the storage of rags be declared by proclamation to be an offensive trade within the meaning of the Health Act."

\$4M. MARINA FOR WERRIBEE

A \$4 million marina, the biggest in the south hemisphere is planned for the mouth of the Werribee River, following the purchase of 200 acres recently for \$580,000.

The sale, however, would be conditional on the result of a feasibility study of the project by the purchasers Civic Realty.

A marina, which is a boat harbour, would incorporate facilities for small boats, service facilities, country club motel type of accommodation, ample parking for the public and everything needed to make the area the most attractive boating centre in the Port Phillip.

BY-LAWS NOT ENFORCED

Altona has many By-laws but some cannot be enforced, said Cr. Lynch, at last week's meeting of Altona Council.

His comment came when Council was considering a letter from Miss A. Klisenko complaining of the dangers on Grant Reserve caused by people practising golf.

She said several times this year she has been fortunate in escaping serious injury.

She pointed out that footballers, cricketers and especially little athletes must watch for golf balls which she believes are capable of causing permanent injury.

Town Clerk, Mr. Jim Waters, said Council's By-law prohibited the playing of ball games (including golf) on any Council reserves within 100 feet of boundaries or buildings without Council permission. Penalties are provided for people who obstruct the authorised playing of games.

He said broken windows in the Youth Hall are many times attributed to golf balls.

Cr. Lynch suggested the complaint be referred to the Council's General Purposes Committee and that Council discuss the appointment of a By-laws officer.

Council adopted his motion.

It is also anticipated that medium sized and larger commercial boats would be catered for in future development, but this would need to be in conjunction with governmental and semi-governmental bodies.

The main feature of the marina would be to concentrate on boating facilities in one area instead of the random and undesirable manner of the eastern side of the bay where boating and swimming facilities are all mixed up in a jumble.

The feature of the area that makes it attractive to developers of such facilities is that the mouth of the Werribee River is the only place on the western side of the bay with boating facilities between Williams-town and Geelong.

It is also within ideal travelling time for people of the rapidly expanding western suburbs and even the northern and inner western suburbs who face a frustrating time-consuming drive down the Nepean highway during the summer months.

The Lower Yarra Crossing will bring Werribee South within an hour's drive for most.

EDITORIAL

THE OLD CHURCH

The building that has provided for the Altona Anglican congregation for so many years is to be demolished.

It has served the Church well and has more than fulfilled the hopes of its founders. At its dedication in the township Laverton, none realized that it would grow to meet the needs of the town and City of Altona.

There are those who will remember the church moving down Queen Street, and its re-erection. There are those who took part in its first service in Altona. There are those who through the years have worshipped within its walls.

There are those who in their different ways have done what they could for St. Eanswythe's.

Now the old church has fulfilled its purpose. The building will disappear — a new St. Eanswythe's will rise.

But though the old church must go, much will remain — the spirit of dedication and service which imbued the early pioneer and later workers and which made the new church possible, the memories of those who sacrificially helped the church, the influence of the church in Altona community over the years and above all the spiritual standards which alone can make a church.

And, too, the name St. Eanswythe will remain. That grand old English name with its association of prayer and good works may not be common in Australia, but it will be good for it continues to be applied with meaning to the Church in Altona.

GRIEVE PARADE

Honouring in its name a most worthy pioneer of Altona, the word Grieve has another connotation.

For this reason some feel it is distressing for bereaved people to notice the name, Grieve Parade, on the road leading to the Memorial Park.

This was the substance of a letter forwarded to Altona Council by the Manager of the Park, Mr. C. Sidway.

He said:

"A meeting of the Trust of the Memorial Park (formerly Western Suburbs Cemetery and Crematorium Trust) expressed alarm that the name Grieve had been perpetuated. It is felt that such name could be distressing to bereaved people who travel along the By-Pass and, as they turn from the By-Pass southwesterly to the Memorial Park gate, notice the name Grieve Parade. The manager (Mr. Chris Sidway) advises that during October, ten calls have been logged from persons phoning the Crematorium to express alarm that the wide road leading from the By-Pass to the Crematorium or Memorial Park is known as Grieve Parade." Altona Council, however, has resolved to make no change.

Originally Lily St., the road, some years ago, was renamed Grieve Highway after the late David Grieve, who in the twenties represented Altona Riding in the Wer-

ribee Council. At one stage he was Werribee Shire President.

Mr. Grieve was the father of the late Mrs. C. McIntyre, a member of the first council of the Shire of Altona.

Recently the council, on a request from the Country Roads Board, decided to make a further alteration by changing "Highway" to "Parade". It was also agreed to give the northern link from Princes Highway to Doherty's Road the same name.

On the motion of Crs. Ian Stewart and Ray Richards, it was decided "That the Trust of the Memorial Park be advised that Grieve Pde. has been named after a pioneer of the district and council cannot agree that the name should be changed for reasons stated by the Trust."

3rd Altona Scout News

At a Going Up Ceremony held at the Pines the following boys were welcomed into the troop: M. Martinelli, P. Jager, G. Moloney, T. Moylan, P. McLoughlin and M. McCullagh.

Stephen Hammond and David Townsend obtained 2nd Class. Swimmers Badges have been presented to the following Scouts: John and David Townsend, Michael and Stephen Hammond and Gary Giles. Victor Hartmann also has been presented with a First Aid Badge.

Troop has enjoyed some success in District events, gaining equal second in the Athletic Sports held at Werribee and equal first with 2nd Werribee in the Field Day Competition held by the Footscray District at the Pines Scout Camp on Saturday last.

The next important event during November will be an intended Father and Son Camp to be held on November 29 at Treetops, Macedon. This outing should provide a lot of fun and enjoyment for all who attend.

The Cub Section has also been active, taking part in the District Visit to the Tarwin District and will also be taking part in the District Cub picnic on Saturday, November 8, to Eltham, travelling by special train. All Cubs are to meet at Newport station at 9.50 a.m.

We welcome the following new chums into the Pack: Peter Vernon, Neale Robinson, Leslie McKee and Garry De Rose. We wish you many years of good hunting.

Congratulations to Patrick Mackey who has obtained his First Star, and also to all new Sixers and Seconds who are all working hard to earn their Stripes.

Group Committee meeting (parents and friends) will be held in the Methodist Church Hall, Sixth Ave., Altona North commencing at 7.15 p.m. on Thursday, November 6. In the interests of YOUR SON all interested parents are invited to attend.

STATE BANK BURSARIES

The State Savings Bank of Victoria will grant bursaries to over 100 secondary school pupils next year to enable them to further their studies. It will also grant extensions to some of this year's bursars.

The bursaries, which are valued at \$90 each, may be used for school fees, books, equipment or maintenance of the student, and are open to students who have accounts with the Bank.

To be eligible, students must have satisfactorily completed Form IV standard, or have obtained or qualified for a recognised certificate in the required subjects at a

higher stage than Form IV.

The financial position of the applicant's family is considered when the students are chosen.

Mr. W. L. Moss, chairman of the Bursary Trustees, said that applications must be lodged by the end of November.

Forms for this purpose and full particulars of conditions are obtainable from the secretary to the Bursary Trustees at the head office of the Bank on the corner of Elizabeth and Bourke Sts.

Mr. Moss said that there was no obligation on bursars to seek employment with the Bank.

Married at Holy Trinity

— Photo by Courtesy Ed Warden, 68-1996.

Mr. and Mrs. Peter John Brennan standing in the garden of his grandmother's home at the reception which followed their marriage last Saturday at Holy Trinity Church, Williamstown.

The bride is the former Irene Elizabeth Reid, elder daughter of Mr. and Mrs. L. Reid, of West Footscray (formerly of Altona).

The groom is the younger son of Mr. and Mrs. B. J. Brennan, of Blyth St., Altona.

A gown of hailspot muslin appliqued with guipure lace motifs was worn by the bride. Her full length veil was held in place by organdie flowers. She carried a bouquet of gardenias and tuberoses.

She was attended by Matron of Honour Mrs. Ann Brennan and bridesmaids Lee Butterworth (groom's cousin) Julie Reid (bride's sister) and Lexie Gray.

They wore aqua blue gowns of frosted satin and carried violet bouquets.

Best man was Graham Brennan (groom's brother), Derek York, John Butterworth (groom's cousin) and Phillip Reid (bride's brother).

Mrs. Reid wore a lime-coloured coat frock with matching hat and the groom's mother a pink silk linen ensemble with pearl blue accessories.

The reception for 100 guests was held at the home of Mrs. C. Jones, Bent St., Altona.

Both families originally came from Liverpool, England, and telegrams from both sides were read out.

When the couple left for their honeymoon destination,

Western Region Girl Guides

The Division Commissioners of the Western Metro. Girl Guides Region will meet at the home of Region Commissioner, Mrs. E. Carlyn, 66 Suffolk St., West Footscray, on Thursday, November 13, at 10 a.m.

Social Evenings for Elderly Citizens

The Elderly Citizens Social Club will hold a cards and bowls evening this Friday, November 7, at 8 p.m. Donation is 35c, including supper and some good prizes.

The monthly dance is on Saturday night, November 8, at 8 p.m. Donation is 30c including supper. There will be monte carlo prizes and a door prize.

Members of the club must lodge their names by December 5 for the Christmas dinner.

C.W.A. ANNUAL MEETING

Altona Branch of the Country Women's Association will hold its annual meeting next Monday, November 10, at 1.30 p.m. at the Homestead, 128 Queen St., Altona.

Competitions will be: An article made from six matchboxes, and Best Bloom.

Members are asked to come early to discuss several matters prior to the meeting and bring their lunch.

DRAMA GROUP TO STAGE PANTO

The pantomime "Aladdin and his Wonderful Lamp," scheduled to be presented by the Altona Drama Group on December 8, 9 and 10, is in the preliminary stages of rehearsal and the major parts have been cast.

But the level of active membership of the group is too low to enable the maximum to be derived from it.

A pantomime requires a large number of participants and the group's resources are stretched to the limit.

However, with the assistance of a few members of the public, 15 years and over of both sexes, the local children will be able to enjoy their show at the end of the year.

Participation in the pantomime, either on stage or "behind the scenes" will enable them to learn something about the Drama Group and of the fun as well as the work involved in any production along to the Drama Hall. Anyone interested should 83 Railway Street North on Mondays at 8 p.m. and learn all about it.

Annual Meeting of Young Wives

St. Eanswythe's Young Wives will hold their annual meeting at 8 p.m. on Tuesday, November 11, in the Parish Hall.

TWIN PRAM WANTED

A gift or loan of a twin pram would assist in the urgent need of an Altona North family.

This family, in necessitous circumstances, already has a twin pram, but it is occupied by 14-month-old twins. The second pram is needed for another twin birth.

Sister Hateley at the Infant Welfare Centre, 2 Murphy St., would be glad to hear from anyone who can help.

ENGAGEMENT

CLIFFT-SOLOMANO. Mrs. N. Clift, of 10 St. Leonards Ave., St. Kilda, has much pleasure in announcing the engagement of her youngest daughter, Joan Elizabeth, to Alan, only son of Mr. and Mrs. A. Solomano, of 11 Jubilee Street, West Newport.

CAMERA CLUB RESULTS

A record number of members attended the Altona Camera Club meeting last Friday for judging of the October competition "Portrait". The visiting judge did a commendable job and must be congratulated. Results were:

Beginners — Black and white, 1st, Bill Gunn; 2nd, Frank Mallett. Highly commended, Frank Mallett.

Advanced Black and white, 1st Jack Simpson; Equal 2nd, Jack Simpson, Jim Merrills.

Colour: 1st, John McMillan; 2nd, Kevin Hart; 3rd, Agnes Paterson.

The club outing to the studios of HSV7 is next Monday, November 10. Tickets are available from Jim Merrills and should be collected as soon as possible.

The club meets each Friday of the month (except the first), in the Homestead, Queen Street, at 7.30 p.m. Ring 398-1937 with any enquiries.

DEMOLITION OF OLD CHURCH

To make way for the erection of a new church building, the old church of St. Eanswythe's is to be demolished. The last service in it will be held on Sunday morning.

The building, which was transferred from Laverton in 1933, received the name St. Eanswythe from the Rev. Edwards, who was then in charge. He had commenced his ministry in a church of similar name in England. This, together with a desire to emphasise that the Church of England existed in Anglo-Saxon times, led to dedication of St. Eanswythe's Church in Altona.

Eanswythe was the granddaughter of King Ethelbert of Kent, the first Anglo-Saxon king to become a Christian.

Mr. and Mrs. R. Stuber, formerly of Mount Street, were the first couple to be married in the building.

Next Sunday, November 9, the Vicar, the Rev. John Lawley, will celebrate and preach at 8 a.m. Holy Communion. He will celebrate the last Holy Communion in this Church at 9.30 a.m., but the Rev. John Walton, Vicar from 1959-62 will preach the last sermon and the Gospel will be read by the Rev. Ronald Adams, Vicar of Newport and Altona from 1952-56.

TV And Football Stars To Be At Bazaar

Zig and Zag plus Ted Whitten will appear at the Annual Bazaar at Altona East State School this Saturday, November 8, commencing at 12 noon.

Attractions include Hay Rides, pony rides, lucky dips, merry-go-round and coconut shy.

Stalls will be selling clothing, groceries, cakes, plants, white elephant items, hamburgers, hot dogs, pies, pasties and fairy floss.

Approaching Marriage

Mr. and Mrs. H. M. Duncan of East Keilor, announce the approaching marriage of their eldest daughter, Kathie, with Terry, younger son of Mr. and Mrs. W. J. Smith, of Waters Drive, Altona, at St. Teresa's Church, Essendon, on Saturday, November 8, and afterwards at the Altona Central Hotel.

Varied Activities For Spastic Aid

Members and supporters of the Altona Spastic Aid Committee have a busy time ahead of them next week.

Activities begin with a Toy Demonstration this Saturday, November 8, commencing at 2.30 p.m. at the house of Mrs. Curnow, 113 Blyth St.

On Monday (10th) a picnic will be held at Millgrove. A few seats on the bus are still available.

Members will meet for their usual monthly meeting at the Homestead at 1.30 p.m. on Tuesday (11th).

A Grand Variety Concert will be presented in the Civic Hall at 8 p.m. on Friday (14th).

The evening is being organised by Mrs. Kitty Mitchell and is being supported by Col. Stewart's Concert Party.

Entrance for adults is 50c. and children 25c.

In Pier Street on Saturday (15th) members will be working to raise more funds at a street stall.

Val's Column

Hello Girls,

Without fuss or time consuming treatments, Steiner Hair Cosmetics can bring you new hair beauty — simply — effectively.

For cleansing your hair, S3 cream shampoo. Now this has a rich lather that works wonders in every kind of hair, especially if at this time of year you are finding your scalp or hair a bit drier than usual. If your hair is like this so may the rest of the family be having problems. Let everyone use S3. cream shampoo. (So mild it does not strip colour from tinted hair).

The teenagers will love the fragrance of Pearl Foam Shampoo. Now out in the larger plastic bottle with thoughts of the oily, or the dry hair let them choose their Steiner products.

They may pick one of the five Colour Highlight Shampoos to pick up the natural colour and highlight that lovely long hair. Between tint or rinses you could use one of these to keep your colour alive.

Even Baby. Yes, Steiner Baby Shampoo. Will not darken the hair, doesn't sting the eyes. Only a few drops needed for an effective lather.

ANOTHER BOXING NIGHT

Another night of Amateur Boxing will be presented at the Altona Youth Club in Civic Parade, on Saturday, November 15, commencing at 8 p.m.

Fighting in the 16 bouts will be some of the best Junior Boxers in the Western Suburbs.

Altona and Brooklyn boxer's to appear on the programme include:—

David Hibberd, Altona v. Steve Bakker, Langwarren.

Barry Walton, Footscray v. Glen Smith, Brooklyn.

Garry Hankin, Seaford (Junior Light-Fly Weight Champion) v. Garry Sproule, Brooklyn (Unbeaten in all Fights to date).

Steve Siperki, Altona (Outstanding Junior Bantam Weight) v. M. De Palma, Essendon (Unlucky to lose in the Junior Fly Weight Championships).

Richard Hatfield, Brooklyn (Up and coming Bantam Weight) v. T. Slatter, Langwarren (Unlucky to lose to B. Davitt, Footscray Junior Bantam Champion Victoria).

Jack Rosenboom, Altona v. Greg Rexter, Essendon.

Angelo Vassiliadis, Altona (Outstanding Junior Light Weight) v. Barry Schofield, Mordialloc.

Enzo Valente, Altona v. Jim Russell, Brooklyn.

Colin Mead, Altona v. Ross Thwaites, Brooklyn.

Geff Nisbett, Altona v. Barry Dunkley, Langwarren.

Geff Estlich, Brooklyn v. H. Leerentveld, Langwarren.

Bill Hodgson, trainer of Altona's Boxing Team and match maker for the tournament has worked non stop choosing the best Novices among his local boys to give them all a chance to make the Boxing Game.

The show promises to be as good as the one held in September.

Bob Skinner, trainer of the Brooklyn boy's at a Youth Club..

THANKS

Members of the local Guides and Brownies wish to thank all who attended the toffee pulling demonstration and luncheon on October 27. It was voted a great success and the support given by ex L.A. members and other interested ladies was greatly appreciated. The proceeds of \$25 will help with expenses incurred in painting the interior of the Guide Hall. A Special Effort for a Gemstone Bracelet was won by K. Faichney.

COUNCIL HONOURS TOP HOCKEY TEAMS

His Worship the Mayor, Cr. P. A. Burns, and President of the Altona Hockey Club, Mr. Eric Symons, pose with the members of the Altona Under 12 Hockey Team — Premiers for Victoria 1969 — with the Certificate of Merit. In the back row are the Coach and also junior players who were selected for interstate matches during the season.

The Mayor congratulated the latter also. LEFT TO RIGHT — C. Turner (coach), S. Ranger, I. Daley, M. Gilson, S. Jensen (Under 15 interstate), G. Studley, A. Willett (Under 15 interstate), Mayor Burns, E. Symons (president), J. Forrester (Under 15 interstate), S. Smith (captain), R. Pratt (Under 16 interstate), M. Burgess, A. Self, G. Brown, P. Symons, J. Gerrig.

ALTONA NORTH HIGH ATHLETIC CHAMPION FOR 1969 — JENNY DAVIDSON

Altona North High School has produced two Victorian Athletic Champions over the past two years in Julie Robertson and David Holdsworth High Jumper and 1500 meters runner respectively.

Now — Jenny Davidson a 14 year old form 2 student at Altona North High School has again re-written the record books this time the under 15 age group.

Last year Jenny created school records in 5 under 14 events.

100 yards: 12.1 sec.

220 yards: 28.5 sec.

High Jump: 4'10"

Long Jump: 16'11½"

This year Jenny continued on her record breaking venture by establishing 6 new records in the under 15 age group:

100 yards: 11.5 sec.

100 metres: 12.7 sec.

220 yards: 28.0 sec.

200 metres: 28.0 sec.

60 m. hurdles: 9.9 sec.

Long Jump: 17'3"

Jenny's achievements this year have been excellent. In the house sports she won 6 events. Then in the Western Division sports on Friday, September 26, she entered 5 events winning all 5 and establishing 2 Divisional records, — 16'5" Long Jump 13.1 sec. 100 metres. In the Victorian School girl championships, held at Royal Park West on Saturday, October 4, Jenny was

entered in 3 events: the 100 metres, Long Jump and High Jump in the girl's under 15 age group.

In the 100 metres she won her way through the heats semi-final and then went on to win the final, defeating P. Book by 2 yards in a good time of 13.4 sec. Her time was only .2 sec. slower than the fastest time for the day run by Elizabeth Murray, winner of the open 100 metre final. Both girl's had to run into a strong head wind.

After running the 100 metres final she continued jumping again in the high jump event but was eliminated at 4'7".

Jenny also won the Long Jump with a leap of 15'0½". She ran into a strong head wind.

At the All High Schools Athletic Carnival on October 18, Jenny finished 2nd in the 100 metres in a photo finish running 13 sec. She managed to win the Long Jump convincingly jumping, 17'3". Some 18" better than the second placegetter.

Jenny's success in athletics is not surprising if the family background is examined. Her father Mr. Alan Davidson was himself a Victorian Decathlon Champion in 1947. Added to this the rest of the family take a very keen interest in athletics.

Brian, Jenny's elder brother, competes for Williamstown Amateur Athletic Club at Poplar Road during the summer months and shows prospects of being a good all-round athlete, while Jenny and her elder sister Pam, compete for Footscray Women's Athletic Club at Royal Park West.

With the interest and enthusiasm shown by Jenny and the rest of the family, she could one day be following in the footsteps of Julie Robertson and David Holdsworth, Altona North High's Victorian representatives.

Tenth Birthday For A.C.B.

Australian Carbon Black Pty. Ltd. has been established in Altona for 10 years, said the Mayor, Cr. Pat Burns, at last week's meeting of Council.

He said he remembers the night a petition against the proposed factory was presented to Council before a "packed house."

But eventually the company received permission to build.

Cr. Burns said all these factories have teething troubles.

However, any time Council has taken a complaint to A.C.B., they have at all times tried to alleviate the trouble.

He said the company has spent a lot of money on improvements and also on facilities for employees.

The company has its own air pollution monitor and has grown a number of trees in the grounds.

Cr. Burns congratulated the company on their 10 years in Altona and their attention to Council requests, no matter what was said.

CLEAN GLASS FOR EACH DRINK

Altona Council will support moves to have clean glasses used for each drink served in hotels.

Councillors agree that the practice of having customers' glasses refilled for each order should be stopped.

When drinking in groups, glasses become mixed and thus a customer can be served with a glass first used by another.

The Commission of Public Health has approved in principle a recommended change in regulations to have all glasses washed after each use.

This information was placed before Altona Council by the Senior Health Inspector, Mr. John Mellors.

At last week's Council meeting it was agreed to support the proposed amendment.

STOP ELECTION POSTERS, CR. LYNCH

"Fly by night paper hangers" sticking election material on Council and Government properties, seats and poles should be stopped, said Cr. Pat Lynch at last week's Council meeting.

He said he has had several complaints regarding the

A.W. RESIDENTS WANT POSITIVE PLAN TO BEAT DUST

Residents of Purnell Street, Altona, are wary of having another major dust problem this year. Last summer when winds blew from the north thick dust invaded their homes.

One of them, Mr. K. Higgins, has asked Altona Council for a positive plan to prevent this problem from recurring.

His comments have been passed on to the Roman Catholic Trust, owners of the land from which the dust is alleged to come from, with a request that the matter receive attention as soon as possible.

And, at last week's Council meeting, Cr. Doug Grant asked the City Engineer, Mr. Ralph Simmons, if he would investigate ungrassed land in this area and report back to Council.

In his letter to Council Mr. Higgins said:—

"In order to prevent a recurrence of last year's dust problems in Altona West, may I suggest action be initiated at an early date, rather than attempted during a dust storm.

"The situation this summer does not have the potential of last summer but some inconvenience will be experienced if nothing is done.

"All of last January's dust came from behind the earth wall. Clay from the sewerage tunnels has been used to fill in certain areas and will perhaps help if it doesn't powder and become dust. If it is accepted that the clay will not become a problem then only a relatively small area will need attention. The tar emulsion was very successful on the southern side of the wall and could be considered here.

"The land on this southern side does not need much attention. In a few areas sewerage contractors have disturbed bare but emulsion-

amount of election material defacing public properties.

He suggested the person whose name or photograph appears on the posters should be fined.

One election is just over but another next May will mean another batch of stickers, said Cr. Lynch.

Offenders should be made aware of "Keep Australia Beautiful," said Cr. Lynch and added it should start in Altona.

He said he will seek to have the matter included on the agenda for the next meeting of the Municipal Association.

YACHT CLUB SEEKS GRANT

Altona Council will assist the Altona North Youth Club in every way possible to obtain a Government Grant for provision of equipment.

The grant is available provided the Club meets the cost in the first instance and the application is approved by the Council.

At a meeting of the General Purposes Committee, Mr. Wilson, representing the Youth Club, told councillors that older members of the club are leaving because equipment is inadequate.

He sought Council assistance in providing this equipment.

Points he mentioned were that the club has a total membership of 158 and meets on Wednesday, Thursday and Friday nights.

He said a box horse and mat owned by the club are costing in the vicinity of \$500.

Last week Council agreed to the Committee decision to assist in every way possible to obtain the grant for the provision of equipment.

BUSY TIME FOR SQUARE DANCERS

A busy time was had at the Altona square dance last Thursday night, David Hooper, the popular caller, had dancers on their toes all evening.

Birthday girl this week was Clare, and everyone joined in wishing her a very happy birthday.

A group of Altona dancers went along to the Footscray dance on Saturday night and a good time was had by all. David has the beginners working well.

The Altona square dance is held every Thursday night in the Youth Club Hall, Civic Parade, dancing from 8.00-11.15 p.m. Ring 398-2708 for further information.

COUNCIL JOTTINGS

The Mayor of Altona, Cr. Pat Burns, has accepted an invitation from the Altona Life Saving Club to be patron of the Club during his term of office.

Nearly 90 people crowded the gallery at last week's ordinary meeting of Altona Council.

Among them were the Altona Working Men's Club A Grade darts team which won the licensed clubs' premiership, a number of hockey players — the Under 12 premiership team, six players chosen for interstate games and the A Reserve team which has been promoted to A Grade for 1970 — and hockey coaches and executives.

Each group in turn was called to the floor of the Council Chamber and their achievements were honored by the Mayor, Cr. Pat Burns.

Three male dogs were taken when the Council detention yard was broken into on the night of October 22.

Female dogs and pups were left behind.

To gain entry to the yard a piece of chain mesh approximately 3 feet square was cut from the surrounding fence.

After removing the male dogs the offender placed the cut wire back into position using an old wheel cap to hold it in place.

Mrs. Judith Carruthers, of Queenscliff, has been appointed by Altona Council as teacher of the new Kindergarten being built in Lindwood Avenue.

Of the five applicants Mrs. Carruthers was the only Kindergarten Training College trained teacher.

In view of Council policy that K.T.C. teachers should be given preference because of the allocation of the Health Department, Mrs. Carruthers was appointed.

Birth notifications received by the five Altona Infant Welfare Centres for the three months ended September 30 totalled 204.

Of these 76 were in Altona and 128 in Altona North.

Figures for each centre were — Altona 58, Altona West 18, Altona North (Murphy Street) 86, Altona East 25, Altona North (Ronald Avenue) 17.

The dangers associated with pedestrians, particularly children, trying to cross the road near the corner of the Esplanade and Millers Road in summer time was brought to the attention of Cr. Ian Stewart by a ratepayer.

Shortly the danger will be very acute and this year with the near completion of the Noordenne estate more people will be in the area.

Cr. Stewart said he realises the cost of pedestrian crossings but he would like some action.

He moved and Council agreed that this problem be referred to the appropriate committee for consideration.

A beach cleaning subsidy of \$2,000 has been authorised by the Minister for Local Government to be spent on Altona beach this summer. The amount has to be matched by a similar amount from the Council.

Cr. Doug Grant reported receiving complaints on the hazards of entering and leaving Harrington Square, particularly on Thursday and Friday evenings and Saturday mornings.

He asked the City Engineer, Mr. Ralph Simmons, to have a member of his staff watch the entrances and exits of this shopping centre and report to a meeting of the General Purposes Committee.

Altona Council will not donate towards the cost of sending Australian athletes to the Commonwealth Games.

The Lord Mayor of Melbourne, Cr. E. W. Best, had written soliciting a three-figure donation towards the State quota of \$60,000.

In moving that the request be noted, Cr. Pat Lynch commented that it is a good cause but he would prefer to spend the money on the Altona Little Athletics. Seconded by Cr. Bill Sommers, the motion was adopted.

The tender submitted by Mr. L. C. Noordenne for construction of a club building on Kim Reserve for Altona Soccer Club has been accepted by Altona Council.

When advertising for tenders a condition laid down by Council was that payment would be deferred for two years and would be interest free.

Sunshine City Council is considering establishing a Junior Council in their municipality.

Town Clerk, Mr. Jim Waters, will provide them with information on the operation of the Altona Junior Council.

During September 37 dogs, including 4 alsatians and 5 horses found wandering, were impounded at the Council yard.

All the horses were later claimed by owners and released on payment of detention fees.

PLAQUE TO BE UNVEILED

On December 6, a plaque explaining Altona's part in Australian aviation history will be unveiled in Pier Street at 3 p.m. by the Mayor, Cr. P. A. Burns.

In conjunction with this event the local Historical Society hopes to have a display in their Museum in the Homestead showing the development of aviation in Australia.

The display will continue for one week after the unveiling plaque.

NO TO FAIRY FLOSS ON BEACH

Permission to operate a Fairy Floss machine on Altona beach has been refused by Altona Council.

The applicants were from Caulfield.

"Charity begins at home," commented Cr. Pat Lynch when the item came before Altona Council last week.

He pointed out that the operators come from the other side of town and he felt Council should protect local shopkeepers.

His motion that permission be refused was seconded by Cr. Ian Stewart.

However, it was opposed by Cr. Charles Carlsson. He said that there is a long area of beach not serviced by shops. A club had been allowed to operate a kiosk so long as it kept a certain distance away from the shops and Cr. Carlsson said he felt the same could apply to this application.

When put to the vote three (Crs. Lynch, Stewart, Burns) voted to refuse permission and two (Crs. Carlsson, Sommers) were against the motion.

At the time of the vote four councillors were absent from the meeting. Cr. Grant had been requested by the Mayor to attend supper with junior hockey players who had been at the Council meeting. Cr. Crofts was still overseas, Cr. Richards was away ill with the flu and Cr. Weaver had sent his apologies.

Many Unaware Of Social Welfare Services

Many people in needy circumstances do not realise the help which is available to them through the Social Welfare Department, said Cr. Charles Carlsson, at the meeting last week of Altona Council.

He was particularly referring to widows and deserted wives with children.

Council has been seeking to have these children over the age of six years included in the free dental scheme.

The Director of Child Health (Dental) has pointed out that these mothers can be helped through the Social Welfare Department.

Cr. Carlsson said that the Council's Home Help Supervisor, Mrs. Lorna Carruthers, has a knowledge of services available and she would be happy to direct people with problems to the appropriate department.

As well as dental assistance there are other services through to legal advice.

Replying to the letter from Altona Council outlining the problems of the mothers in attempts to obtain dental treatment for their children over six the Director said:—

"Actually there are two major problems both of which are outside the facilities of the Dental Division of the Health Department.

"The first problem is world wide — the shortage of dentists. This shortage has effected the School Dental Service to an even greater extent than it has the Royal

Dental Hospital, as it has reduced the number of areas, particularly in the country, which can be visited by our units.

"Treatment of school children in the metropolitan area is also restricted, being confined to schools within the vicinity of the three metropolitan centres.

"Although every endeavour is made to make maximum use of our depleted staff, it is increasingly difficult to maintain the services to which we are committed, consequently expansion into other fields, no matter how deserving, cannot be contemplated at present.

"The second problem, the financial situation of the mothers in questions is outside the scope of the Dental Division, however, the Social Welfare Department through its Family Welfare Division does aid a proportion of mothers in these categories, who are in necessitous circumstances.

"As each case is dealt with as a separate assessment, I cannot quote clear cut conditions relating to eligibility.

"A mother assisted in this respect by the Social Welfare Department can obtain dental treatment for her children from the dentist of her choice and have the account sent through that Department for payment by the Health Department."

Police Station For BROOKLYN KINDER WILL TAKE A.N. CHILDREN IF COUNCIL PAYS

The proposed police station for Altona North will be a Central station with all of the attending police services advises Mr. Larry Floyd, Member for Williamstown.

It will operate on a 24 hour basis and will ensure adequate police coverage of Altona North and surrounding areas.

The size of the new Station will be approximately 6,600 square feet excluding the cell area.

Members of the Uniform Police, C.I. Branch, Mobile Traffic Section and Police-women will be stationed there.

The services which will be available at this new Station will include general policing, Divisional Van patrol, C.I. Branch inquiries, Police-woman inquiries, Traffic patrols by mobile units and testing of applicants for drivers' licences.

Planning for the new building is proceeding and it is hoped that contract documents will be completed during the next financial year to allow for tenders to be called during that year.

The Brooklyn Kindergarten in the City of Sunshine boundaries will accept Altona North children next year if Altona Council agrees to pay \$1 weekly for each child.

Annual cost would be approximately \$1,050 for 25 children.

Altona Council has referred the matter to its Finance Committee.

In a letter to Council the Kindergarten Committee said:

"The Committee has agreed that a rate of \$1 per week would be necessary for each child attending the Kindergarten in the year 1970. Approximately \$1,050 for 25 children, per year.

"We would be happy to accept the Altona North children if your Council could manage to arrange this. We do not want to close our Kindergarten for half a day if it is at all possible.

"A 20c. fee per week would not be required as the Committee hold a lot of fund-raising functions and would prefer to see the parents attend or make a donation. If at any time an excursion is arranged we then ask for a nominal fee."

Commenting on Altona North Kindergarten facilities Town Clerk, Mr. Jim Waters, said:

"A survey is underway regarding enrolments at the Altona North Kindergartens in the years 1970 and 1971.

"Sixteen children were already over-enrolled for 88 Fifth Avenue and 15 children are over-enrolled for 32 Ronald Avenue. Undoubtedly, as the school year comes about, mothers will be calling on the Kindergarten teachers to enrol children who are not already enrolled. The waiting list for 1970 at the Kindergarten at 384 Blackshaws Road is 90.

"All of these enrolments are being plotted on the map to give an indication as to the effect of zoning if the Council wishes to take up the Brooklyn Pre-School Centre offer. Incidentally, there will be no Government subsidy as the Government subsidy is paid to the Committee to cover the teacher's salary.

"Altona Kindergartens cost a little over \$6,000 to operate and the Government subsidy is approximately \$3,000 depending on the classification of the teacher. Thus it costs \$3,000 to give Kindergarten facilities to 50 children for the year."

LOCAL STATISTICS

The City Valuer, Mr. W. S. Long, reports that statistical information of the municipality as at September 30 was:—

ALTONA LITTLE ATHLETICS RESULTS

Most outstanding performance at Altona L.A.A. meeting on Saturday was P. Curran (St. Mary's) 400 metres time of 1 min. 11 secs. competing in the boys' under 10 event.

Ideal conditions prevailed for this meeting, although the track was slightly heavy.

Other good performances were—

Girls' under 10 long jump: L. Forbes (Altona), 3.60 m; under 10 discus: R. Worthing (Altona), 15.32m; under 11 shot put: N. Wittman (Altona North), 5.17m; under 9 60 metres hurdles: J. Rice (Westona), 11.6 secs.; under 10 100 metres: J. Ryan (Altona North), 16.5 secs.; and under 11 100 metres: N. Wittman (Altona North) 14.7 secs.

Among the good performances in the boys' events were— Under 9 discus: P. Penfold (Westona), 15.74 m; under 11 shot put: B. Howdon (Seaholme), 5.93m; under 10 100 metres: P. Curran (St. Mary's), 15.1 secs.; under 9 100 metres: N. Condon (Seaholme), 16.1 secs.; under 12 400 metres: J. O'Donohue (Westona), 1 min. 8 secs.

Mr. Mark Schnyder, on behalf of the Altona Centre of the L.A.A. Executive, sincerely thanks all those dedicated children and parents who participated in Saturday's five-mile walkathon.

Club managers are requested to collect sponsorship pledges and hand all proceeds to Mr. Schnyder by Sunday, November 9.

Parents and L.A.A. officials please note that the officials and parents regional L.A.A. seminar is now to be held at Sunshine on November 15 and 16.

Results of the Altona L.A.A. meeting held last Saturday are as follows:—

(A. Altona; AN, Altona North; SM, St. Mary's; SE, Seaholme; W, Westona.)

GIRLS' FIELD EVENTS

U.9 High Jump, 1.00 min.: J. Rice (W) 1, W. Vanderveen (SE) 2, J. Marks (A) and L. Thompson (AN) eq. 3.
U.10 Long Jump, 3.60 m.: L. Forbes (A) 1, C. Golacki (S) 2, J. Ryan (AN) 3.
U.10 Discus, 15.32m.: R. Worthing (A) 1, L. Forbes (A) 2, J. Ryan (AN) 3.
U.11 Long Jump, 3.61m.: N. Wittman (AN) 1, D. Webb (S) 2, K. Cheswright (AN) 3.

ON THE GREEN

By "Wrong Bias"

A most successful Smoke Night was held at the Altona Bowling Club on Friday.

Russell Langdon amazed everyone with his sleight of hand and card tricks.

Club members John Newton and Bob Don did a great job on the electronic organ and drums respectively.

A number of members rendered vocal items and a good night was enjoyed by all.

Pennant bowls on Saturday resulted in a win for three of the sides with the remaining side only losing by one shot to Newport.

No. 2 side maintained its undefeated run and the fourth side recorded its first win for the season.

Results were:

No. 1 Side defeated Ormond Park, 92-81.

E. Franks, T. Burke, R. Don, F. Nielsen (S), 21-19.

G. McNeillage, J. Flynn, R. Watson, I. Douglas (S), 23-18.

L. Thornycroft, W. Condon, S. Carton, G. Russell (S), 27-28.

L. Craig, J. Newton, B. Harrison, J. Fisher (S), 21-16.

No. 2 Side defeated Princes Park, 120-81.

N. Dixon, C. Williams, D. Watters, W. Walsh (S) 31-22.

H. Blair, T. McMahon, L. Cox, L. O'Donnell (S) 33-17.

H. Deacon, F. Douglas, A. Hill, M. Deegan (S), 25-27.

R. Allen, D. Nettleton, K. Andrews, C. McDonald (S) 29-15.

No. 3 Side were defeated by Newport, 94-95.

L. Hyde, D. Brett, J. Buckley, H. Martin (S), 25-19.

B. Nicholls, W. Probert, J. Cox, S. Pilcher (S), 28-18.

A. Stephenson, E. Roach, L. Parker, J. Carr (S), 24-25.

D. McKellor, P. Kelly, C. Griffiths, W. Inglis (S), 17-33.

No. 4 Side defeated Glenroy, 87-83.

J. Rose, H. Gibson, J. Clark, A. Dart (S), 26-19.

N. Cartwright, W. Grant, J. Pugsley, M. Neal (S), 17-27.

K. Fearnett, C. Millichip, R. Rasmussen, H. Harris (S), 25-14.

D. Ganavan, W. Swift, N. Grant, G. Abbott (S), 19-23.

Lara Bowling Club visited Altona on Sunday for mixed bowls. The Bowls Committee selected each team with winners from both clubs.

Winners were F. Cole (Lara), Dorrie Gadsden, George Snowden, I. Wittwer (Lara, skipper).

Runners-up were R. Matheson (Lara), Ivy Gilmore (Lara), Eileen Thomas and Bruce Nicholls (Skipper).

Next Saturday's Pennant matches are as follows:

No. 1 side play I.C.I. away.

No. 2 side plays Doutta Galla at home.

No. 3 side plays Yarraville-Seddon at home.

No. 4 side plays Reservoir away.

HEAT 3 — 1.10: F. Magnabosco

Heat 3 — 5.11: T. Fox

(AN) 1, W. MacKey (AN) 2, R. Geisler (AN) 3.

UNDER 12 — 4 x 100

METRES RELAY

Winning team 58.6: B. Dodd, M. O'Connor, I. Van Rangeloo, J. O'Donohue (W)

LADIES' BOWLING

The A2 Division section 1 side won their pennant game at Strathmore last week.

E. Flynn, E. Olliver, M. Woodyard, R. Shaw, 17-24.

C. Ford, W. Neal, L. Cox, P. Stephens, 32-21.

P. Gischcus, I. Probert, E. Beyer, G. Mackella, 25-15.

J. Douglas, V. Turner, I. O'Donnell, E. Martin, 22-27.

A2 won 96 to 87 against Strathmore.

The B2 Division section side went down by 1 shot only.

94-95 to Doutta Galla at home (Altona).

V. Sevier, F. McDonald, I. Gibson, I. Mitchell, 21-18.

D. Gadsden, M. Rasmussen, J. Cheasley, J. Milliken, 27-24.

L. Walsh, D. Watson, L. Tucker, I. Nickels, 31-17.

B. Tribe, M. Address, A. Deacon, B. Davies, 15-36.

Thursday at Altona Ladies Mixed Social consisted of the winning team bowled of Jean Cheasley (L), Noel Richardson, Jan Douglas (C).

Life Savers in Training

The monthly executive meeting of the Altona Life Saving Club was held in the clubhouse last Tuesday night, with Mr. H. Kip presiding.

Swimming training is being held at Richmond Baths and would continue each Monday evening until the end of November.

The bus leaves the Clubhouse at 6.45 p.m. prompt and only financial members will be allowed on the bus. The fare charged barely covers the half of the cost of hiring the bus but this is of secondary importance, providing members utilise the service as it is intended — training. One junior thinks it is a night out for fun and has been disciplined accordingly.

OTHER TRAINING

Wednesday nights are devoted to Reel Line and Resuscitation training from 7 p.m. to 8 p.m.

Thursday nights — Bronze Medallion training from 7 to 8 p.m.

Renovations to the kiosk are completed except for a small amount of painting and the kiosk manager, Mr. J. Byrne, said he would be stocking up as soon as the weather became warm enough to open up for business.

The new property room is also completed except for one or two small items, and property officer Roy Bailey will shortly "take up residence".

SPECIAL EFFORT

A special Christmas effort will be held again this year and tickets will be available shortly.

Tickets for the Cabaret Dance on Saturday, November 22, are in great demand. Unsold tickets must be returned to Mrs. Byrne by 8th November as there appears to be a waiting list and it is not intended to increase the number available beyond 100.

Members of the committee are reminded of the working bee on Thursday night November 20.

NEXT EXECUTIVE MEETING

The next Monthly Executive Meeting will be held on Tuesday, December 2, at 7.30 p.m.

DEMONSTRATION AT YACHT CLUB

Mr. J. Byrne visited the Altona Yacht Club last Friday to lecture members on methods of resuscitation.

He was accompanied by Michael Purdy who acted as patient in the demonstrations and Mr. J. Wall the Life Saving Club's Publicity Officer. The visit was arranged by the Secretary of the Yacht Club, Mr. Bob Purdy, father of Michael.

The Commodore, Bruce Bulmer introduced the visitors to the audience of over 30 members, one of whom was Mr. Tom Jones who was the first captain of the Altona Life Saving Club when it was re-formed in 1951.

Mr. Byrne pointed out that there had been many changes in methods of Resuscitation since that time, the main ones being the introduction of mouth to mouth resuscitation and external cardiac massage.

No amount of resuscitation would revive a person whose heart had stopped beating, but the introduction of external cardiac massage had been responsible for saving many lives.

The main essence was speed and of course the correct application of the massage. Once the heart stopped beating, the supply of blood to the brain would be cut off and even though the person's heart was re-started by ECM the brain would be permanently damaged.

Mouth to mouth resuscitation had proved by far to be most effective method of reviving an apparently drowned person or a person suffering electrical shock or asphyxia-

One advantage of this method over all others was that it could be applied whilst bringing a patient ashore and a few quick puffs into a patient's lungs could mean the difference between success and failure in saving the patient's life.

Mr. Byrne exhibited the blue ringed octopus which was caught amongst the rocks at Altona last season. The poison from this little menace paralyzed the respiratory system and if the patient received mouth to mouth resuscitation or oxygen from a resuscitator would survive, but without these aids the patient's heart would stop and death would result.

Mr. Byrne gave demonstrations of external cardiac massage and mouth to mouth resuscitation on George, the ingenious dummy owned by the Club and also demonstrated the use of the automatic oxygen resuscitator which is available to public at any time.

DOCTOR IN THE HOUSE

At the conclusion of the demonstrations by Mr. Byrne, Mr. Wall stressed the importance of knowing how to apply mouth to mouth resuscitation which was quite simple but very effective if applied quickly.

Not only was it useful in reviving persons apparently drowned, but also in accidents in the home.

Mr. Wall quoted the number of children who had died from asphyxiation caused by placing plastic bags on their heads.

All of these could have been revived by mouth to mouth resuscitation if applied in time. Knowledge of this was as good as having a doctor in the house.

Mr. Byrne extended an invitation to anyone interested to attend the club's training nights on Wednesdays and Thursdays between 7 and 8 p.m. to see club members in action and also gain more knowledge.

COMMODORE THANKS

Commodore Bruce Bulmer expressed thanks to Mr. Byrne, Michael Purdy and Mr. Wall on behalf of the members, for an enlightening evening.

SQUASH CHAMPIONS AT ANTS

Squash as a school sport is gaining popularity in local secondary schools.

A new perpetual trophy has been introduced for competition between players from Altona North Technical School (ANTS) and Altona North High School.

1969 winners and first holders of the trophy are the ANTS.

This year ten teams from the technical school played in their own weekly competitions culminating in deciding the championship teams for a winter series and a summer series of matches.

As well as these games and the ones against Altona North High the ANTS played against Footscray Technical College and entered the 4th Victorian Schoolboys' Squash Championship.

A highlight of the year was a Family Sports Evening in the new Assembly Hall which was attended by the current World Squash Champion, Geoff Hunt, and leading squash referee Sam Birtles.

With the close of the ANTS squash year individual awards have been announced. Best player in the Winter Competition was Gregory Scudamore.

Best in the Summer Competition was Gary Taylor. Most improved player of the year is Harold Villers.

New Bus Terminal

The terminal point in Mason Street for the Altona North-Newport bus service is to be changed to a pick-up point only.

The Transport Regulation Board agrees this terminal is not entirely satisfactory.

Altona Council concurs with the change suggested in this letter from the Board:—

"Following receipt of your letter of the 30th ultimo, the question of the Altona North-Newport Bus Service ceasing to use the above stop as a terminal waiting point and instead use a point near the south-west corner of the Primary School, has been examined. While the Board agrees that in the interests of public safety the use of the present bus stop as a terminal waiting point is not entirely satisfactory, it favours the location of a waiting stand in Cresser Street on the south side and east of Millers Road.

"This waiting stand would be completely out of the way and would be completely out and would not cause any interference whatsoever.

"As you are aware, Seventh Avenue, Cresser Street and Millers Road are already used by the service to carry out its turning procedure. If Council concurs with this suggestion, steps will be taken to have the bus service comply forthwith, leaving the present bus stop in Mason Street to be used solely as a pick-up point."

ROTARY HEARS ABOUT TRAINS

At the weekly luncheon on Tuesday, October 28, the Rotary Club of Altona was addressed by Mr. Les Reynolds, one of the three Victorian Railways commissioners. Mr. Reynolds spoke on "Railway facts and fallacies".

He stressed that, though the Victorian Railways had to buy and maintain sufficient rolling stock to meet the needs of peak periods of travel, this equipment was not able to be used fully during off-peak periods. This constituted a waste of transport potential and thus a waste of taxpayers' money. He said that it would cost fifty million dollars to replace all the red trains in Melbourne. There were now sixty Harris (blue) trains in service.

Alex Northover of Consolidated Quarries, who was chairman for the day, thanked Mr. Reynolds for his very interesting talk.

Total 3 wickets for 18

BOWLING: Wilson 1-12, Cox 1-2, McCullagh 1-0, 0-3.

Altona lost the toss and were sent in to bat on a very soft wicket and as expected the openers Gray and Thomas found runs hard to get as the ball came off the pitch very slowly, but they batted determinedly for ten runs when Gray lofted one and was out caught.

David Chalmers also lifted one in close and he was out without scoring. Ray Duckett and Frank Thomas then took the total along to 37 when Frank was unlucky to play at a rising ball too early and saw the ball touch his bat at the completion of the stroke to be out caught behind.

Barry Critchley batted reasonably well for 18 runs although he did not appear to settle down and take charge of the bowling as we know he can, nevertheless he saw Ray Duckett and Bill Bibby go out and the score was 86 when Barry went out to a good catch from a firm cover drive. Poor Bill Bibby is having a bad run as his last three innings have totalled 3 runs, but Bill is a player who usually can be relied upon for a score so it won't be surprising to see a fifty behind his name very soon.

Ron McCullagh came in at 86 and was still there at the finish for 35 not out, and he showed with very sensible batting just how to get the runs. Gordon Wilson and Neil Courtot didn't stay very long with Ron and it was apparent that they found the awkwardness of the wicket difficult to handle.

Ron Cook gave Ron valuable support and together they put on 24 runs. Last man in Graham Cox tried to give Ron the strike, but this proved a long shot as Graham hasn't got his bat to the ball in three hands.

All Altona batsmen can be pretty well pleased with their effort on a wet wicket as plenty of determination was shown, and as long as the fielding shows the same degree of determination and all catches are held, an outright win should be accomplished.

There is one note of warning and that is that in 35 minutes in the field Altona let three chances go that should have been wickets and next week on a pitch that should favour the batsmen, this cannot be tolerated.

CLUB XI SPEND A DAY IN THE FIELD

Played on Research Farm Ground, Altona Club XI spent a far from pleasant day in the field against Sth. Kingsville last Saturday.

With most of the team being players between the age of 13 and 16 the Altona team stuck to their task in the field extremely well considering that the ground was damp to start with and then the last 2 1/2 hours of the game was spent in drizzling rain. The highlight of the fielding was the effort put up by young Mike Cook who stopped everything that came his way.

The opening bowlers, Blokkeerus and Healey both bowled well against much more experienced players, who were prepared to hit anything loose very hard, after the tea adjournment the ball was so wet that Altona could only set themselves to contain the South Kingsville batsman and try and hold them to a reasonable score.

CLOSE GAMES IN U.14 CRICKET

In the two under 14 matches conducted last Saturday both games were won by 8 runs. Altona winning at the expense of Comb. Churches and Altona West defeated Altona High.

Comb. Churches appeared to have Altona beaten but a match winning 9th wicket partnership of 60 by B. Mildenhall and Hawless won the game for Altona.

In the other game 2 players on each side Nichole and Hobbs for Altona High and Bryden and Toney for Altona West turned in good performances with both bat and ball.

SCORES

Altona West 88 (Bryden 26, Nimmo 18 n.o., Toney 14, Nichole 3 for 18, Hobbs 5 for 10) defeated Altona High (Nichole 31, Hobbs 21, Bryden 5 for 22, Toney 4 for 35).

Altona 128 (B. Mildenhall 27 n.o., Hawkless 33, P. Mildenhall 10, Wilson 7 for 31) defeated Combined Churches 120 (Hancock 37, Colbert 23, Swift 16, Wilson 15, Warr 3 for 26, B. Mildenhall 2 for 4).

Western Suburbs Darts Scores

Results of Western Suburbs Darts Association matches played on October 30 are as follows—

DIVISION 1
Plough 6 lost to I.C.I. 7.
Suttons 2 lost to Bristol 11.
Powell 4 lost to Pioneer 9.

DIVISION 2
Railway (Foot.) 7 d. Central 6. Guiding Star 8 d. Powell 4. Prince of Wales 6 lost to A.W.M.C. 7.

Fixtures for Thursday, November 6, are—

DIVISION 1
Gellibrand v. Plough. Pioneer v. A.W.M.C. Powell v. Pioneer. Bristol and Suttons have a bye.

DIVISION 2
Macs v. Gellibrand. Central v. Cyanamid. Powell v. Railway (Foot.). A.W.M.C. v. Guiding Star. Suttons v. Prince of Wales.

The president of the Western Suburbs Darts Association intends to call a special meeting of all summer and winter league clubs in the near future, when it is hoped that two responsible members of each club will come forward with constructive suggestions and criticisms in an effort to make the Association run smoother in future years.

Clubs will be notified of the date and venue.

by 52 n.o., Norman 3-27, Hewet 4-40, Backhouse 3-27) defeated St. Stephens by 3 runs in a very close match. St. Stephens 107 (Iley 43, Hewet 20 Willet 4-18, Deru 2-13, Featherby 2-28).

POST OFFICE PREFERS P.O.P.

The new Post Office Preferred—or P.O.P.—symbol is appearing as a label on some envelope packs sold in Australia as a way of helping people get mail delivered faster.

It indicates that the envelopes are of the more regular sizes and dimensions, especially approved by the Post Office to get the speediest service on its mail distribution system.

Bugbears to P.O. mail staff are extremes and eccentricities in envelope shapes and dimensions: very long, thin envelopes, super-small ones and irregular shaped ones.

Manufacturers, who are showing the official P.O.P. symbol and wording on envelope wrappers, boxes of envelopes and advertising displays as a guide to purchasers that these are the envelopes that meet the Post Office approval to aid quickest distribution.

The symbol indicates that the goods meet the specifications of the Standards Association for envelopes that confirm to Post Office requirements for mail carried by the Operational Post Haste system.

Post Haste provides for enveloped mail for sizes which fall between 3 1/2" x 5 1/2" and 4 1/4" x 9 1/4" and, with enclosures, not more than 3/16" thick, to be carried by air at surface rate within Australia and its Territories where air services are available.

VITAL SPECIFICATIONS

Among the vital specifications these envelopes meet are:

- they are within the size ranges of 3 1/2" x 5 1/2" or 4 1/4" x 9 1/4"
- they are oblong in shape, their length at least 1.414 times the width.
- except for special paper used in air-mail envelopes, the paper weight is at least 63 grammes a square metre,
- it has especially good qualities for legible writing ink,
- the surface does not reflect light so that the address is hard to read,
- the paper is white or a soft colour.

Panel envelopes meeting these conditions may also be sold with the P.O.P. insignia.

Most current envelopes in the conventional sizes already meet Operational Post Haste requirements for the quickest handling. But the new symbol will act as a sure guide to users in their choice of envelopes.

P.O.P. envelopes also come within the size ranges recommended by the Post Office and many overseas postal services as being suitable for machine handling.

Advance approval from the Post Office is not necessary before the P.O.P. symbol is used in labelling or advertising. But the envelope must conform fully with the specifications before it may be used.

Yacht Club Racing Results

Last weekend at the Altona Yacht Club two races were held as well as the sailing of the Sabot Class on Sunday morning.

On Saturday a championship race resulted in—

HORNETS

1st, Laphil (E. Philipps, L. Laker); 2nd, Woomera (J. Grieve, D. Philp); 3rd, Sayonara (A. Owen, I. Robertson).

HERONS

1st, Stelynka (S. Bulmer, M. Purdy); 2nd, Pee-Wee (J. Grieve, P. Haynes); 3rd, Rampage (G. Scot-Dagleish, M. Sleeman).

G.P.14s

1st, Whistable (B. Smith, K. Smith); 2nd, Leander (B. Smith, T. Carver); 3rd, Happy-1 (B. Purdy, M. Purdy).

The following day a "Stern chaser" was held. In this event all boats start at different times depending upon their handicap, the fastest boat starting last, thus giving all boats an even chance so that it is the efforts of the boat's crew which win the race and not the fact that one boat is faster than another.

This demonstration was thought worthwhile. Thanks go to these two demonstrators for presenting such an informative and interesting exhibition, one well accepted by club members.

Notice is hereby given of a cooking demonstration to be given by members of Metropolitan Research Pty. Ltd. at 8 p.m. on Friday, November 21 at the clubhouse. For purposes of fund raising for the ladies auxiliary an entrance fee of 30c per head shall be the only charge. Refreshments will be provided to all who attend, besides the sampling of all cooking demonstrated and the providing of recipe leaflets. This has been organised by the ladies auxiliary who extend to all ladies an open invitation, so whether a club member or not please feel free to attend and ask all your friends along.

The social secretary also wishes to inform all of a barbecue and records-dance night to be held after the sailing on Saturday, November 15, at the clubhouse.

The general meeting held last Friday night saw the presentation of a life membership to Mr. Jim Grieve as

reward for his efforts toward the expansion of club facilities. The quality of these facilities is an indication of the motives behind this seldom given and well-earned honour. The club's congratulations go heartily to its newest life member as a way of saying thanks for Jim's efforts.

On the same night a demonstration of artificial resuscitation methods was given by Messrs. Jim Byrne and Jack Wall, members of the Altona Life Saving Club. Tremely well attended and

The results of this race were—

HORNETS

1st, Laphil (E. Philipps, L. Laker); 2nd, I.D.H. (J. Anderson, W. Henshall); 3rd, Sayonara (A. Owen, K. Tippett).

HERONS

1st, Jolerie (L. DeJong, P. Bell); 2nd, Rampage (G. Scot-Dagleish, M. Sleeman); 3rd, Sensie (K. Haynes, K. Bulmer).

G.P.14s

1st, Whistable (B. Smith, K. Smith); 2nd, Leander (B. Smith, C. Donachie); 3rd, Myra (J. Horn, T. Horn).

The general meeting held last Friday night saw the presentation of a life membership to Mr. Jim Grieve as

has a volume control knob beside the dial. This can be adjusted for the individual needs of the user, and when it is turned right down the instrument operates as a normal telephone.

A switch is included so that the calling device can be connected or disconnected as required.

MANY USES

The Post Office envisages many uses for the calling device in industrial situations, where high-pitched factory noise tends to drown out the ringing of standard telephone alarm equipment. Although the low frequency range of the gliding tone—400-900 cycles—was intended to help people with a loss of high-frequency hearing acuity, it is also generally audible above the noise of domestic appliances or industrial machinery.

The amplifier, calling device and coil were developed by a Post Office research team working in close co-operation with Melbourne's Alfred Hospital and Glendonald School for the Deaf.

This Australian Post Office development has already attracted much interest among overseas telephone organisations, particularly in Britain, U.S.A. and Canada.

The production run is an interim order due to be ready for distribution next February, as an insurance against a possible shortage of supplies of the present black "300" type amplified phone for the partially deaf.

Post Office researchers spent several years developing the new amplified phone—based on the "800 Series" Colorfone — and the complete unit, when it becomes available, will embrace a new receiver hearing-aid coil and a "gliding tone" calling device to replace the bell, which is not readily heard by the partially deaf.

The interim order of 2,500 will be the basic amplified phone only—and the coil and calling device, will not be ready for distribution until late in 1970.

The receiver hearing-aid coil is designed to fit in the handpiece of any "800 Series" telephone and is suitable for use with most modern personal-type hearing aids. It will become standard in all deaf-aid telephones in future and will be available to any telephone subscriber as an optional extra at a very small charge. The calling device will be an optional extra in all cases.

The amplified telephone looks like the standard Colorfone, except that it

has a volume control knob beside the dial. This can be adjusted for the individual needs of the user, and when it is turned right down the instrument operates as a normal telephone.

A switch is included so that the calling device can be connected or disconnected as required.

"LICENSED TO SELL THE EARTH SINCE 1861"

1 Millers, Road Altona
(ONE DOOR FROM BEACH)

History Repeats Itself

ARCHER WON THE CUP IN 1861 AND 1862, THE YEAR BUXTONS STARTED IN BUSINESS. IN 1968 AND 1969 RAINBIRD EQUALS A PERFORMANCE THAT HAD STOOD UNBROKEN FOR 107 YEARS.

During all these years, Buxtons have stood the test of time in giving real estate service to Melbournians, both to the buyer and seller.

We still need more homes for buyers immediately. If you have a property remember we've had them packing since 1861. FOR IMMEDIATE ACTION AND RESULTS

Please ring Mrs. Jenkins
398-1902.

After Hours Miss Hope
398-3056.
